

How to Generate New Credentials and Update PowerSchool:

1. **Log into MiDataHub Cockpit**
2. **Scroll down** to the *API Integrations* section.
3. **Click on** “Student Information System - PowerSchool 1.”
4. **Find** the “Secret” section and **click** the box labeled “**Generate New Credentials.**”
5. Once generated, **click Submit**

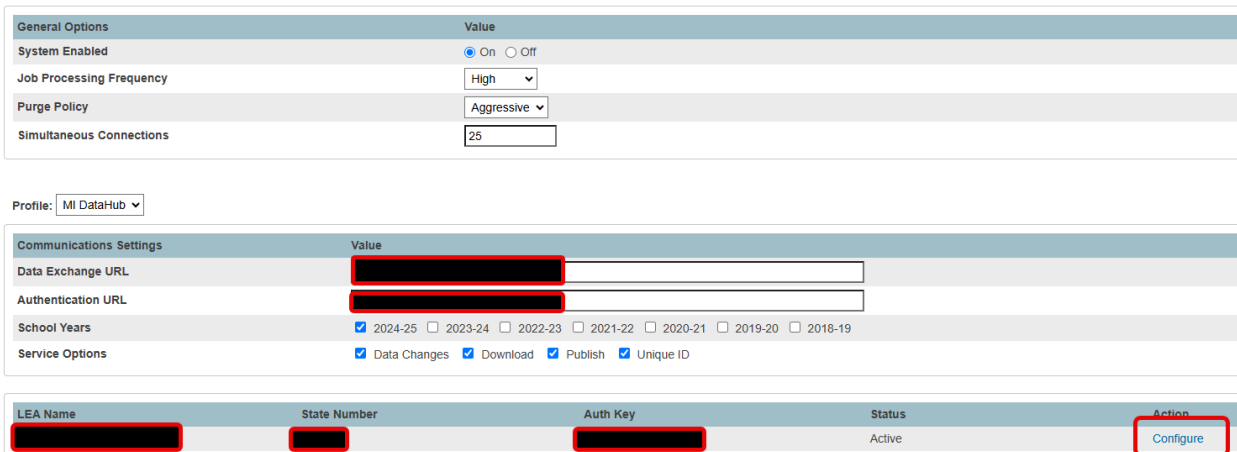

Secret : ***** 

Now, to update PowerSchool:

6. **Log into PowerSchool.**
7. Navigate to **System Management > Data Exchange > General Setup.**
8. Under **Actions**, **click on Configure.**
9. **Enter** the new Key and Secret (which you copied from MiDataHub) in the **Authentication Key** and **Authentication Secret** fields.
10. **Click Test Connection**, then **click Save.**
